Viva La Guanna !- There is one characteristic of the present outhurst of my innal eathusi am in incorrigible. Italy that has scare ly received at much attention in England as it morits. It is too generally asmed that this estaberance of popular feeling is accessioned entirely by the desire to rease ve Venetia from the Austrian rule. This is for from being the fact. A strong instinct of sel assertion really influences the present movement. It is felt har fe de men nation, must win ber pura. In Jabu it i is admitted that France really decided the destinies of the country, and there is an uneasy sentiment. that the subsectionte part then played was derogatory to the national honour. Italians long to show Enrope that Italy is able to meintain its own int rests, and, above ad, to fight, if occasion Malwa Orick -folloul I arise. for I a own hand. The cry for Venice is a more on ward and civible sign of the strong voiceless presions that it effect guide the nation at this moment. A penceable cours into the presession of Venetia will in no way satisfy the unreasoning hast for, was that has inflamed men's minds. These unavowed feelings that decide public quinion must be tiken into nee aint in attempting to estimate the action of the Italian G.vermment. La Marmora would have represeptod at Paris the policy of " Venice er war." the people prefer to raise the cry of " Venice and ]. war." It is significant that at the incomerable ; idemenstrations, while: the newspipers complacomby speak of oheers for the King and for Garib doi, there was only heard (except on one or , two rare occusions) one watchword shouted by the people, and that is, " Viva a general" Mr. GLOSTON'S MAKES A LITTLE MISTARY.

September 1988 And Control of the Co

ment with a Hohenzullaro as "housemaster." Hespe Darmstult was declared " hostile" because t it had closed a telegraph office and the foreguard of the army defending Frankfort was driven from its past. The chief of faxon Dukes declared his rendiness to assume a command in the Prussian army, and the Dukes of Mecklenburg have abdicated their generate military power. Finally, the Paussions, pouring into Saxony at three points, march d acoppresed on Dresslen, and while King and army fird into Hopemia, took down everywhere the Saxon arms. North Germany, from the Rhine to Pesen, from Jutland to Franklort, is in Probaian banks, and already Countieon Bismarch in org nixing her into a ningla State. By an act for which the only precedent is the It dian lawy in the Romagna, the Pros inn con- ing of GOMOWNS, Tex Hong, &c. scription has been flung over the population of the occupied territy iss, and as it must be obeyed. it is Anatria, and not Prussia, which his now to meet the force of the German nation. The number ting, whether favouenble to Promis, as in Flooto-of H see, or resigned, as in Saxony, or doubtfil. as in Hanover, or irritated, as in Holstein, is Stable adjuning, nt all agents not so hostile as to risk resistance to an administration so a vere and a will so uncompromising as that of Count von Bismaret. Hold ng all capitals all firtresses, all railways, and all rhads, the Prassian Government must be obeyed. and his therefore the control of twenty-eight mile. form of men and a rev nue of some facty millions ! sterling, resources amply sufficient for the great unbernished. task before it-a I fens to war against Southern For particulars apply to Germany. The Confederation has possed away. the duality, of Germany is for the hour real, and Wellington Street, No. 33, corner of Pattinger & it remains only to consider whether it can be reasonably expected to endure.

We v prove early sathe time yet is, to believe that it will,—that the Kinga, and Dukes, and | Princes who have thus abdicated their duties. whose ignoble histories have terminated in a stampeds, who, instead of fixing by their thrones, have carried a hundred theu and men to swell the emburrassments of the Austrian commissariat and the Bergrian Exchanger, will never regain their power. "Blindly the wicked work the righteous will! of Heaven," and C unt von Bismarck in his, law-Less descriptions of the state of the second state of the second of these dynasties, which after six hundred years of sany leave not a subject willing to die on their be half. They have not all been at all times irretrieva Hy had. Europe owes much both to Saxony and Besse, for they protected the burly mank who first broke the charm of a Universal Church. Two of the dynastics have done much for art, one has been a refuge in days of appression for German literature, all sive Heave have done something to make no e-sentially sensuous people believe the mild. A greater than the buly to keep alive in a not itary r ce the healthy faith that learning i nobler that wifithing skill. Hur they have all restated th development of a free national life, all have helped to dwarf the minds they have so assiduously refine finall have resisted the natural development of logs situated between the Agra Bank and Compa race which probably contains within it the lar- toir d'Encounte, at present in the occusation of gost possibilities of original and noble life. All the Bank of Hinduston, China, and Japan. The have striven with their utmost energies to keep principal huilding is very suitable for division up the evil faith that Heaven has committed the into Offices or Chambers. guidance of mankind to the members of a limited chate now so interwived as to be also sat a single bemily which, possessing for a thousand years a m mapoly of the highest form of action, has in that time failed to produce one bennfactor to manking. FittE spacious premises on the Queen's Road. In the long stream of European history not one of this caste has ever received by popular acclaim the crithet " Good " but one lives in history under Mercantile firm. the title of the "Wee." So intensely has the cvil; , We that the Princelings' influence been felt that for fifty years no subject of theirs has risen high enough in the mental world to think out a political. refered without an king their extinction the in- THE Property knowneds "ALMACK PLACE." with ble distant of his treum, And now they are: I having a frontage of Eighty-three feet on mine, gone without a blow on their own soil for Wellington and Gage Streets, and of two hundred the independence of which they were so proud and twenty-ni e feet on Aberdeen Street, comand though the real battle has yet to be fought, we prising a superficial area of about 19,000 square will, reading by the light of history, believe they feet, connever return. The sec et of their uselessness | Annual Ground Rent £ 2, 12, 6. The bear rescaled too publicly. The are tresau to corlors against the Prossist buyonet would have horn as important against the Cossick sabre. Even if America wine, she will find in high hour of vicfore, as she found in 1850 that decendent kings are the least valuable of allies, the most troublesome of a third's; and Austria, though she may go her compensation, will not in this sense win. brondy the Prussian Liberals ace that their daythe am is about to he realized by their greatest fee. Water-pips are laid into the promises and Gas of China and Japa. and forgive he iron roller which crushing so many firted into 28 braket lights, with six Chandeliers of their convictions, has made a toad for all their &c., ac. The Bungalow has a nice exactous Garasperations. Already the Premier sees that only den having about 300 ft wer puts and beautifully

by the agreat of the people can the structure which he is cearing to consolid ted, and pledges himself and his master to the Parliament which, while it will investible the henzollerns with the Imperial of rown, will also real ze the first aspiration of every German thinker. The defeat of North Germany, if accomplished, must be the work of many comprigner and the nation, if united even for a year will not again hear to be demembered on behalf of a caste which at the first cannon-shot scattled | hang, Southward of Mr. W. B. Alexander's reent of their homes to seek whit for them ar all sidesce events is the protection of a foreign power. They, very set le among their oldsubjects as great nobles. They may recive half the vast eastes which. the ugh attached to their growns, they have treaand as private proper y.
